Future Leaders in Prosthodontics 9

Nobel Biocare Procera, Mahwah, New Jersey
October 10-12, 2019

FLIP9 is an exciting and innovative weekend workshop for future leaders in prosthodontics who desire to learn skills and capabilities for excelling in leadership situations. Private practitioners and academics alike will be stimulated via a mixture of lectures and "active learning" experiences to improve their effectiveness as leaders.

Free registration

Due to the generous support of our sponsors—the Academy of Prosthodontics Foundation, Career Design in Dentistry (CDD), and Nobel Biocare—we are pleased to offer free registration for the workshop.

Interested applicants should contact Dr. Sreenivas Koka at skoka66@gmail.com for further information and to receive application materials.

Application deadline is August 1, 2019, and early application is recommended as the workshop is open to only 24 participants.

Travel and lodging

Participants are responsible for their own travel and lodging costs. Additional details on travel and lodging will be sent closer to the time of the workshop.
